## CLOSEBOARD and PALISADE FENCING

### About This Case Study

Completed by Evolution Group Ltd, the job comprised erecting a new boundary fence to the front of the property and creating an extended private garden area easily accessed through new matching gates.

### PRODUCT USED

- PermaTimber Fence Posts
- Featheredge boards
- 38mm 88mm rails
- Timber gravel boards
- Capping rails
- Round top palisade pales
- Closeboard entrance gates

Product for this site near Lydney in Gloucestershire was supplied by Walford Timber Ltd.

PermaTimber Fence come with a unique 15 year product guarantee, details of which can be found on our website.

The Palisade fencing is a smart, less obtrusive way to define a property boundary whilst the closeboard fencing provides a more secure area with increased privacy.

All the entrance gates were built in our workshops to match the closeboard fence and like all pressure treated timber, supplied with a 10 year guarantee.
