## TIMBER DECKING

### About This Case Study

Completed by Evolution Group Ltd, the job involved replacing and improving the layout of an old deck that had been added to over many years and was now in a bad state of repair.

### PRODUCT USED

- Reversible Timber Decking
- Decking Joists
- Exterior decking screws
- Coach screws

Product for this site in Pillowell, Gloucestershire was supplied by Walford Timber Ltd.

All treated timber was supplied with a 10 year product guarantee as standard.

As extra protection, Evolution made sure all the substructure was protected by flashing tape, groundcover to suppress weeds underneath as well as having all supporting 5x4 stilts double treated.
